WORK EXPERIENCE

React.js Developer

AnIdeaz Media International Pvt. Ltd

Jul 2024 – present
New Delhi, India

- Working as a Full Stack Developer, I developed and maintained a scalable Learning Management System (LMS) using PHP and JavaScript, designing APIs, creating responsive interfaces, and ensuring system performance and security.

Frontend Developer

Sourcekey Media Pvt Ltd/ Meatwale

May 2023 – Jul 2024
Uttar Pradesh, Ghaziabad, india

- As a Front End Developer at Sourckey.in, my primary responsibilities revolved around website creation and maintenance. I played a pivotal role in crafting visually appealing and user-friendly websites that aligned with the company's objectives and brand identity. This involved translating design mockups into functional web pages using HTML, CSS, and JavaScript.

Front-End Developer (Intern)

CareerGuide/ Stirring Minds

Oct 2022 – Mar 2023
New Delhi, India

- As a Frontend Developer at CareerGuide, my primary responsibility was to craft engaging and intuitive user interfaces for the CareerGuide platform. This involved collaborating closely with both design and backend teams to translate wireframes and mockups into functional frontend components.

PROJECTS

Personal Portfolio 🔗

- In this personal portfolio website, I utilized HTML, CSS, JS and GSAP for frontend development. The project showcases my skills, projects, and experiences in a visually appealing and interactive way, while providing a seamless user experience for visitors.

ChatGPT 🔗

- Built a ChatGPT-like AI chatbox using OpenAI's API, enabling natural language processing and real-time user engagement.

Simran Graphics 🔗

(Freelance Project)

- Simran Graphics** is a professional design and editorial services company. Built with **HTML, CSS, and PHP**, the website showcases their expertise in book design, illustrations, and digital solutions with a clean and user-friendly layout.

The Amaze Studio 🔗

- The Amaze Studio** is a creative platform showcasing design and branding services. Built with **HTML and CSS**, the website features a clean and visually appealing layout, ensuring a smooth user experience and effective presentation of their work.
